KEEMDELUXE LIMOUSINES

Most visited sites

Louvre museum : the biggest museum of Paris (35.000 pieces) presents important works of art like the Mona Lisa portrait, the Venus of Milo, the raft of the jellyfish, but also, pieces of oriental and islam civilizations.

Orsay museum : Large collection of impressionist art. Artistic expressions ranging from painting to architecture and sculpture. The museum is located inside a train station looking like a palace. Gorgeous.

Versailles castle : Architectural wonder classified as world heritage of humanity and symbol of the artistic influence of France in the 17th century.
Visiting the Versailles castle allows you to revisit the story of France in an exceptionnel setting.

Louis Vuitton Foundation : Collections and programming of the Foundation are deeply rooted in the history of artistic movements during the 20th and 21st centuries. Exposed in a jewel of architecture designed by the american Frank Gehry.

Colleville-sur-Mer cimetry : officially inaugurated in 1956 with its memorial, this cimetry honors the american soldiers who died during the battle in Normandy during the second world war.

ALSO TO SEE:

PARIS : Pompidou center museum, Quai Branly-Jacques Chirac museum, Picasso museum, Beaux-arts museum.

PROVINCE : Châteaux de la loire, Mont Saint Michel, O'maha beach, Utah beach.
